### **CASLs 93s and 94s Girls Players Have Success at Region III ODP Camp**

During the recent Region III ODP camp week, CASL players achieved great success in Alabama. After a grueling week of trainings and games several of CASL's players were accepted into the Regional Pool. These players include from the 93s, Caroline Lindquist; and from the 94s, Paige Reckert, Claire Wagner, Alexis Degler, Alexis Shaffer, Taylor Francis, Caroline Brown and Morgan Reid.

After a week of games, it all culminated with a Regional Championship for CASL Players; Wagner, Degler, Reid, Francis and Brown where they will move on and compete in Nationals next year. This is something that is well deserved for these players. This age group has achieved great success and for these girls to lead their Regional Teams to success is something CASL is extremely proud of and wish all the players the best of luck and continued success both on and off the soccer field
